DigiFarm VBN Promo Form
Radio Trade In

Trade in a qualifying radio to receive a free year of VBN RTK Service

Rules and Requirements

- Trade in a qualifying, functional RTK radio from the approved list (see website) and receive 1 year free RTK service on the DigiFarm VBN network.
- All orders must be placed on the online store, store.godigifarm.com
- Must purchase VBN subscription online using Part Number VBN00100-P located under the Promotions Tab along with either a Beacon Kit or a DigiFarm Modem Kit with Data Plan
- Trade in paperwork must be filled out completely
- Failure to send in traded radio within 30 days of ordering will result in suspension of RTK service. DigiFarm will contact the dealer or direct customer prior to suspension of services
- Promotion ends June 30th 2019
- Promotion valid in U.S. only

Radio Trade-in must be sent to the Illinois office and must include the completed form in the return packaging.

Ship traded radios to:

DigiFarm VBN
